

Ilketshall St Lawrence Primary School Attendance Policy

1. Introduction

- 1.1 Ilketshall St Lawrence School is committed to providing an education of the highest quality for all its pupils and recognises this can only be achieved by supporting and promoting excellent school attendance for all. This is based on the belief that only by attending school regularly and punctually will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance.
- 1.2 The whole school community – pupils, parents and carers, teaching and support staff and school governors – have a responsibility for ensuring good school attendance and have important roles to play. The purpose of the policy is to clarify everyone's part in this.
- 1.3 The policy has been drawn up after consultation and is based on current government and Local Authority guidance and statutory Regulations. The school will ensure that all members of the committee know of the policy and have access to it.

2. School's roles and responsibilities

- 2.1 All staff at Ilketshall St Lawrence School have a key role to play in supporting and promoting excellent school attendance and will work to provide an environment in which all our pupils are eager to learn, feel valued members of the school community and look forward to coming to school every day. Staff also have a responsibility to set a good example in matters relating to their own attendance and punctuality.
- 2.2 Attendance Leader
The Headteacher will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the Attendance Policy is consistently applied throughout the school. The Headteacher will also ensure that up-to-date attendance data and issues are made regularly available to all staff, pupils and parents and carers (who will regularly be reminded about the importance of good school attendance) and that a report is prepared for the governing body termly. The Headteacher will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.
- 2.3 Registration
 - i) The school is required to mark the attendance register twice each day; once at the start of the day and once during the afternoon session. Classroom teachers are responsible for completing the attendance registers using the prescribed codes.

ii)

The register will be called promptly at 8.50 am and 1.00 pm by staff and a mark will be made during the registration period in respect of each child.

- iii) The registers will close at 9.10 am and 1.10 pm. Any pupil who arrives **after** the closing of the register will count as **absent**. Pupils who arrive before the register closes will be counted as **present** but will be dealt with under the school's policy on punctuality and lateness.

2.4 Categorising absence

- i) A mark will be made in respect of each child during registration. Any child who is not present at this time will be marked unauthorised absence unless leave has been granted by the school in advance or the reason for absence is already known and accepted by the school as legitimate. Where a reason for absence is given and accepted by the school at a later stage, the register will be amended in such a way that the original entry and the amendment / correction are distinguishable. The decision about whether the absence should be authorised or unauthorised rests with the headteacher.
- ii) Ilketshall St Lawrence School recognises the clear links between attendance and attainment, and attendance and safeguarding children. It recognises that inappropriate authorisation of absence can be as damaging to a child's education as authorised absence, will potentially send a message to parents that any reason for non-school attendance is acceptable and can render children extremely vulnerable to harm. If absence is frequent or continuous, and except where a child is clearly unwell, staff at Ilketshall St Lawrence School will therefore challenge parents or carers about the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence **will always rest with the school**.
- iii) If no explanation about an absence is received by the school **within 2 weeks**, the absence will remain unauthorised;
- iv) Absence will be authorised in the following circumstances:
- (a) where leave has been granted by the school in advance, for example –
- a pupil is to participate in an approved performance for which a licence has been granted by the Local Authority,
 - a pupil is involved in an **exceptional** special occasion – in authorising such an absence the individual circumstances of the particular case and the pupil's overall pattern of attendance will be considered,
 - In **exceptional** circumstances, permission has been granted for a family holiday for which the parents have sought permission in advance.
- (b) where the school is satisfied that the child is too ill to attend;

- (c) where the pupil has a medical appointment (although parents should be encouraged to make these out of school hours wherever possible, and to return their child to school immediately afterwards – or send him / her to school beforehand;
 - (d) where there is an unavoidable cause for the absence which is beyond the family's control, eg extreme weather conditions;
 - (e) the absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil's parents belong;
 - (f) the pupil lives more than two miles (if he/she is under eight) or three miles (if he/she has reached eight) and no suitable transport arrangements have been made by the Local Authority;
 - (g) the pupil is of no fixed abode, his/her parent is engaged in a trade which required him/her to travel, the pupil has attended school as often as the nature of the trade permits **and**, have reached the age of six, he/she has attended 200 sessions in the preceding 12 months;
 - (h) in other **exceptional circumstances** (eg a family bereavement) and **for a very limited period**.
- v) Except in the circumstances described above, absences will be unauthorised. Some examples of reasons for **not** authorising absence would be:
- no explanation has been given by the parent;
 - the school is not satisfied with the explanation;
 - the pupil is staying at home to mind the house;
 - the pupil is shopping during school hours;
 - the pupil is absent for **unexceptional** reasons, eg a birthday;
 - the pupil / student is absent from school on a family holiday without prior permission;
 - the pupil has been stopped during a truancy sweep and is unable (or the parent is unable) to give a satisfactory reason for the absence.

2.5 Approved educational activity

Where a student is engaged in off-site approved educational activities, the school will check his/her attendance on a daily basis before entering the appropriate code in the register.

2.6 Class registers

In order to track pupils' whereabouts throughout the day, a record is kept in the office of children who arrive or leave after registration. This record is signed by parents and the records are kept on file in the school office.

3. Collection and analysis of data

- 3.1 The Attendance Leader will ensure that attendance data is complete, accurate, analysed and reported to parents and the governing body. The report should include commentary on the trajectory and the school target. The data will inform the school's future practice to improve attendance and prevent disaffection.
- 3.2 Attendance is monitored across the whole school and by reasons for absence. It is also analysed by gender, ethnicity, pupils with special educational needs and those who are vulnerable to poor attendance.
- 3.3 Accurate attendance returns are made to the DfES within the stipulated time frame.

4. Systems and strategies for managing and improving attendance

- 4.1 Attendance has a very high profile at Ilketshall St Lawrence School and is regularly discussed at assemblies. Parents are regularly reminded in newsletters and school meetings about the importance of good attendance and its links to attainment.
- 4.2 Ilketshall St Lawrence has procedures for dealing with unexplained absences. Parents usually ring on first morning of absence. If this does not occur the school will ring the home during that day of school to ascertain reason for absence.
- 4.3 First-day calling
Ilketshall St Lawrence has in place a system of first-day calling. This means that parents will be telephoned on the first day a pupil is absent without explanation to establish a reason for the absence. This helps to identify at an early stage pupils who do not have a good reason for absence or who may be absent without their parents'/carers' knowledge. Where it is not possible to make contact with parents/carers on the first day of absence, the school will send a letter to them by first class post.
- 4.4 Meetings with parents
Where there is an emerging pattern to a pupil's absence over a 3 to 4 week period (or sooner if staff are particularly concerned), with or without explanation, the school will invite parents to a meeting to discuss the reasons for the absences. Plans should be put in place with the parents/carers and pupil to resolve any difficulties and improve the attendance within a specified time limit – usually no more than 6 weeks. It will be explained to parents/carers that any future absences will be unauthorised unless there is clear evidence of a good reason for them.

4.5 Referral to the Education Attendance Service

If there continue to be unauthorised absences by the end of the specified time (or sooner if the pupil is failing to attend school at all), the matter will be referred to the Education Attendance Service.

4.6 Lateness and punctuality

Pupils / students are expected to arrive at school, and be in the correct room for registration, on time every day. It is very disruptive to their own education, and that of others in their class, if they are late. Pupils who arrive after the register closes will be marked absent for the whole session (a session being a morning or an afternoon). This absence will be unauthorised unless the school is satisfied that there is a legitimate reason for the pupil to be late. Reasons will not include things such as missing the bus, clothes in the washing machine or lost shoes. A pupil who is persistently absent by reason of lateness will be dealt with in the same way as other students with an emerging pattern of absence. If the matter is not resolved quickly, it will be referred to the Education Attendance Service.

4.7 Pupils who arrive late for school but before the register closes will be written to individually if this lateness persists.

4.8 For health and safety reasons it is important that the school knows who is in the building. Pupils arriving late should therefore report to the school office. **It is important that all pupils arriving late following this procedure.**

4.9 For the same reason, it is important that pupils leaving the premises legitimately (eg for a medical appointment), or returning to school later in the day sign in at the office.

4.10 Post-registration truancy

Post-registration truancy occurs when a pupil goes missing from school having previously registered for the session. This behaviour not only means the pupil will not be receiving a full-time education, it also potentially renders him/her vulnerable to harm. Ilketshall St Lawrence takes this very seriously and will endeavour to ensure it does not happen. To ensure all children dropped off by parents, or arriving by bus, are safely seen into school, a member of staff is present on the playground every day before school. If, however, a pupil appears to have left the premises without authorisation, the school will try to make contact with his/her parents immediately.

5. **Term-time Holidays**

5.1 Term-time holidays are intended for children whose parents are unable to take holiday at any other time.

5.2 Ilketshall St Lawrence will consider every application individually, its policy is NOT to grant leave of absence for a holiday other than in the most exceptional circumstances. Time off school for family holidays **is not a right**. An

application must be made in writing, with appropriate evidence, **in advance** of the intended holiday.

5.3 Ilketshall School will consider authorising holidays for:

- service personnel and other employees who are prevented from taking holidays during term-time;
- when a family needs to spend time together to support each other during or after a crisis;
- parents/carers who are subject to a strict and un-negotiable holiday rota and evidence is provided to this effect.

5.4 Requests for holidays for the following reason will not be authorised:

- cheaper cost of holiday;
- availability of the desired accommodation;
- poor weather experienced in school holiday periods; and
- overlap with beginning or end of term.

5.5 Ilketshall St Lawrence will respond to all requests for a leave of absence in writing giving the reasons for the decision.

5.6 Ilketshall St Lawrence will NOT authorise a holiday during periods of national tests, ie SATS and GCSE examinations.

5.7 In line with Suffolk County Council current recommendations, school will inform the County of any unexplained absence or holidays and they will issue parents/carers with a Penalty Notice.

6. Extended leave of absence

6.1 In considering absence for extended trips overseas Ilketshall St Lawrence will take account of the following:

- a visit to family overseas has a very different significance from a normal 'holiday';
- such visits may be important in terms of children's identity and self-esteem as they grow up;
- parents may feel that the reasons for their visit outweigh the importance of their child's uninterrupted attendance at school (although parents could be encouraged to use the school holiday periods for at least part of their trip);
- the reasons for wishing to make a visit is more difficult, particularly for minority ethnic families, where huge distances and high costs are involved;
- where extended leave of absence is granted there will be an expectation that the pupil undertakes some school-set work during this period.

7. Parents' / carers' responsibilities

7.1 The prime responsibility for ensuring children receive an appropriate and full-time education rests with parents / carers (defined by the Education Act 1996 as those with parental responsibility and those who have the care of a child), who will be supported and encouraged by Ilketshall St Lawrence School.

7.2 Ilketshall St Lawrence School expects parents / carers will:

- ensure their children attend the school regularly;
- support their children's attendance by keeping requests for absence to a minimum;
- not expect the school to automatically agree any requests for absence, and not condone unjustified absence from school.

7.3 Parents/carers will also be expected to:

- notify Ilketshall St Lawrence on the first day of absence by telephoning school, ensure their children arrive at school on time, properly dressed and with the right equipment for the day;
- work in partnership with the school, for example by attending parents'/carers' meetings and consultations, taking an interest in their children's work and activities;
- contact the school without delay if they are concerned about any aspects of their children's school lives. Ilketshall St Lawrence will endeavour to support parents to address their concerns.

8. Pupils' responsibilities

8.1 All pupils should be aware of the importance of regular school attendance. If they are having difficulties that may prevent them from attending school regularly, they should speak to their class teacher.

8.2 Pupils should attend all their lessons on time, ready to learn. Pupils also have a responsibility for following school procedures if they arrive late.

9. Governors' responsibilities

Section 175 (2)

9.1 The governing body of a maintained school shall make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school.

10. Conclusion

Reviewing the policy

The school will review this policy each year with its allocated Education Welfare Officer.

A GUIDE FOR PARENTS/CARERS

1. When does my child need to be in School?

Your child should be at school in good time for registration. The morning register will be called promptly at 8.50 am and the afternoon register at 1pm.

2. What happens if my child is late?

Registration finishes at 9.10am in the morning and 1.10 in the afternoon.

If your child arrives between 8.50am and 9.10am he/she will be marked **late**.

If your child arrives after 9.10am he/she will be marked **absent**.

If your child arrives between 1 pm and 1.10pm for the afternoon session he/she will be marked late.

Pupils who arrive after registration should report to the school office, and sign the Late Book. If a pupil is late on three or more occasions a meeting will be arranged with a member of staff to discuss reasons / difficulties for lateness.

3. Does the School need letters explaining my child's absence or will a phone call do?

We would expect a parent/carer to telephone the school on the first day of absence. If you do not phone us, we will phone you. If we do not receive an explanation, or if the explanation is unsatisfactory, we will not authorise the absence, and this will be shown on your child's end of year report.

4. What reasons will the school accept for absences?

- Illness
- Emergency dental/medical appointment (please make routine appointments after school or during the holidays)
- Day of religious observance
- Family bereavement

Except in the case of illness, you should ask for permission for your child to miss school well in advance, giving full details. In cases of recurring absences through illness you may be asked to produce a medical certificate.

5. What is unacceptable?

The school will not authorise absence for day trips, long weekends, visiting relatives, shopping, birthdays or looking after brothers or sisters, etc.

6. Will the School contact me if my child is absent?

The school operates a first day response to absences: we will phone you if we have not heard from you. This is because we believe it is our responsibility to ensure your child's safety as well as their regular school attendance.

If we are concerned about aspects of your child's attendance or punctuality we will contact you to discuss the best way forward.

7. I am thinking about sending my child on an extended absence for an overseas trip to visit relatives. What should I do?

The school recognises that such absence can be important for children to keep in touch with their extended family. Contact school as soon as possible to discuss the best time for such a visit.

The school would strongly recommend that such absences do not take place during your child's SATs. You need to complete an application form for extended leave of absence and if the Headteacher then approves the visit, the school will set work for your child to complete while away. As far as possible we will ensure the work set reinforces the educational value of such a visit.

8. What can I do to encourage my child to attend School?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his/her education. Your child will bring home a school diary each evening. Please ensure you look at it with your child.

9. My child is trying to avoid coming to School. What should I do?

Contact your child's class teacher or Headteacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem.

In some cases you may find it helpful to discuss the circumstances of your child's difficulties with an Education Welfare Officer. The school may also refer you to an Education Welfare Officer who works with staff and families if difficulties with attendance arise. The Education Attendance Service is based at:
