

**Dear Parents/Carers,**

We wanted to take this opportunity to update you on the Governing Body its membership and responsibilities. We also wish to thank the children, parents and staff for their commitment to the school community. It is everyone's contribution that makes our school a special place for the children to learn.

We recognise that there are always areas that we can improve working. As a result, we are currently running a parent survey the results of which, together with the pupil and staff survey will help inform next year's school development plan. We thank you in advance if you have already completed this, if not copies are available from the Reception or on the App.

**Governor Membership.**

We have sadly said goodbye to Mrs. Elsa Arundel our longest serving member who has decided to stand down. We owe her huge thanks for her outstanding contribution to the school and wish her well in the future.
