Key Stage Two SATs results 2016

Attainment - Children reaching Age Related Expectations

The Department for Education uses as a benchmark, the percentage of pupils attaining Age Related Expectations (ARE) or more by the end of Year 6 in reading, writing and maths (ie all three).

In 2016, 83% of our pupils reached Age Related Expectations in all three subjects. (National 53%)

It's also useful to think about the breakdown between the core subjects of Reading, Writing and Maths (also included is the assessment of Grammar, Punctuation and Spelling).

KS2 Attainment

Percentage of children achieving at least Age Related Expectation (ARE)

	ARE	National	Above ARE	National
Reading	100	66	58	19
Writing	83	74	0	15
Maths	100	70	25	17
Grammar, Punctuation and Spelling	92	72	42	23

KS2 Progress

Many people would argue that progress is the most important measure as it truly reflects the quality of teaching and learning, regardless of pupils' starting points. Progress is typically measured from Year 2 (the end of Key Stage 1) to Year 6 (the end of Key Stage 2).

Expected progress between key stages would be zero.

Progress measures for Key Stage 2.

	School
Read	3.9
Write	-3.4
Maths	0.6
