### Pupil Premium Provision Map 2016-17

The pupil premium is additional monies given to schools to support children who are considered disadvantaged. The chosen measure for this is the entitlement to Free School Meals within the past 6 years.

The average pupil premium funding for the academic year 2016-17 is £1320 per child. This equates to £22,380 in total for our school

Ilketshall St Lawrence Primary School - Pupil Premium Allocation 2016-17

<b>Pupil Premium used for</b>	<b>Amount allocated to the intervention/action</b>	<b>New or continued activity</b>	<b>Summary of intervention/action Year group and pupils</b>	<b>Intended outcomes, how this intervention will improve achievement for pupils eligible for pupil premium</b>	<b>Monitored by who and when</b>	<b>Expected Impact</b>	<b>Review</b>
SENCO	£2000	continued	Developing timetables for interventions, monitoring and assessing impact of interventions and the progress of vulnerable groups in Yr R –Yr 6	Close the gap between pupil premium and non-pupil premium children through intensive small group support in reading, spelling, maths , writing	SW/Govs	The gap between PP and non-PP will close	SEN PP children made at least expected progress across Reading, writing, Maths.
Pastoral Support Worker	£3000	continued	Whole school – targeted children identified by class teacher/SENCO	Support children and parents with social, emotional and behavioural difficulties.	SW/SENCO and Govs	The parents and school will be working together to ensure a consistent approach to ensure that their children are successful.	Pastoral support worker provided effective support – attendance improved for PP children to 96.24% which is in line with others at 96.85%
TA Support	£11,710	continued	Whole school – targeted children identified from Pupil Asset	Close the gap between pupil premium and non-pupil premium children	SENCO/SW and Govs	Good progress is evident	Progress of SEN children with PP was 99.42 (based on expectation of 100), non PP SEN

				through intensive small group support.			made progress of 99.66
				Supporting behaviour 1-1 to allow PP child to access classroom environment, small group social skills and anger management	SENCO/SW and Govs	No barriers to learning to prevent attainment and progress	Progress of PP and Non PP children in line (based on expectation of 100) non PP 100.01, PP 100.06
Thrive training for SENCO	£500	New	Whole school – targeted children identified by class teacher/SENCO	Identifying social and emotional barriers to learning, individual children and small groups	SW/Govs	Children develop greater resilience in managing thoughts and feelings that could act as a barrier to attainment and progress	Unachieved as SENCO moved schools taking skills with her.
Dyslexia Awareness training - TAs	£150	New	Whole school – targeted children identified by class teacher/SENCO	Identifying barriers to learning, for individual children and small groups	SENCO/SW/ Govs	No barriers to learning to prevent attainment and progress	TAs now more confident in identifying and managing children with Dyslexia
Catch Up literacy training SEN TA	£400	New	Whole school – targeted children identified from Pupil Asset	Close the gap between pupil premium and non-pupil premium children through intensive 1-1 support in reading.	SW/SENCO/ Govs	The gap between PP and non-PP will close	There was no significant difference in the attainment of PPSEN children with non PP SEN children.
Maths Whizz	£920	Continued	Whole school – targeted children identified from Pupil Asset	An ICT based resource to aid children who are underachieving	SENCO	Children have used program to consolidate maths skills	There was no significant difference in the attainment of

				and making limited progress in Maths			PPSEN children with non PP SEN children.
Clicker 7	£1800	New	Whole school – targeted children identified from Pupil Asset	An ICT based resource to aid children who are underachieving and making limited progress in writing and grammar skills	SENCO	Children have used program to consolidate writing and grammar skills	Not achieved – issues with software means that at the moment only one machine will effectively run
My Maths	£280	continued	KS2 access	An ICT based resource to challenge more able children both at home and at school, developing higher order maths skills	SENCO/SW/Govs	More able PP children will be challenged and extended  No 'glass ceilings' on learning	More able PP children achieved at the same level as non PP
Wondermaths	£200	New	KS2 – targeted children identified from Pupil Asset	Resource to challenge more able children both at home and at school, developing higher order maths skills	SENCO/SW/Govs	More able PP children will be challenged and extended  No 'glass ceilings' on learning	Purchased but not yet used with PP children as no PP
Enrichment and Engagement	£1380	Continued	Accessible by any PP child	Subsidised Funding for: Residential visits Educational visits Pantomime Music tuition Other events outside school	SW/Govs	Equality of access for all children including PP children.	All PP children were able to access educational visits, music tuition and residential visits.

				including more able/gifted and talented events at High School
