

The Primary PE and Sport Premium

Rationale

The Primary PE and Sport Premium is government funding provided to schools to make additional and sustainable improvements to the quality of PE and sport they offer. The government have committed to this funding until 2020. The Department for Education’s vision for the Primary PE and Sport Premium is for:

“All pupils leaving primary school (to be) **physically literate** and with the **knowledge, skills** and **motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.”

All ASSET Education schools share this vision and strive to use the funding to create a long lasting sporting legacy that will continue long after the Primary PE and Sport Premium. With this in mind, we aim to achieve self-sustaining improvement in the quality of our PE and sport provision.
