

Primary PE and Sport Premium Report 2019 – 2020

Last updated: July 2020

Spending Overview:

Key Achievements to date: (also see last year's review)

- Sports coach is an asset to the school and provides really good quality PE provision for the children.
- There was a good uptake for after school clubs and the children were very positive about the experiences
- There were six tournaments organised through the year
- The outdoor/adventurous play provision has been further developed and children are using the equipment on a regular basis.
- 93% of year 5 children reached the required standard in order to achieve Bikeability award

Areas for further improvement and baseline evidence of need:

- Further develop outdoor provision for playtimes
- Structured play activities through use of a playleader
- Sports Coach to further support staff professional development
- Further opportunities to experience a wider range of sporting activities.

National curriculum requirement for swimming and water safety	Percentage
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	94%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	94%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	87.5%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

The Primary PE and Sport Premium

Rationale

The Primary PE and Sport Premium is government funding provided to schools to make additional and sustainable improvements to the quality of PE and sport they offer. The government have committed to this funding until 2020. The Department for Education's vision for the Primary PE and Sport Premium is for: "All pupils leaving primary school (to be) **physically literate** and with the **knowledge, skills** and **motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport."

At Ilketshall we share this vision and strive to use the funding to create a long lasting sporting legacy that will continue long after the Primary PE and Sport Premium. With this in mind, we aim to achieve self-sustaining improvement in the quality of our PE and sport provision.

How much funding will we receive?

For the academic year 2019-20, Ilketshall received £16,840 in PE and sport premium.

How do we plan on spending the funding in 2019/20?

At The Ilketshall we have used our funding in the following ways:

Strategy	Cost
Employ sports coach	£4515
Renovation and further development of adventure playground	£2500
MDSA training and employment as a play supervisor for lunchtime play to encourage active playtimes	£4500
Training for play supervisor	£250
Attendance at Primary PE Network meetings	£320
Supporting non PP children on low incomes to attend residential visit – outdoor learning	300
Transport to tournaments	100
Swimming – supporting children to participate beyond statutory provision to allow further opportunities for competitive swimming and lifesaving skills	900
Update current PE resources	500
Specialist sport opportunities and workshops i.e circus skills, archery, Bollywood dancing etc.	1000
Bikeability	360
Further development of outdoor active play provision for EYFS	1585

Total Cost	£16,840
-------------------	----------------

What impact will the premium have on pupils' PE and sport participation and attainment?

The impact of how we spend out funding is evaluated termly against the following five key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
Every child has the opportunity to be involved in physical activity both at lunchtimes and through the curriculum in order to increase regular participation in physical exercise and improve fitness levels and general well-being/ mental health	Employment of a PE Coach to organise lunch time activities	£4515	Aut - Children engaged in high quality PE Lessons and teaching and support staff had opportunity to observe high quality PE in action. Spr - Children reported that ' Mr Sanders makes PE really fun and we are running around all the time. We like the different things he does with us like the Harry Potter dancing.'
	School to organise taster workshops for pupils in other sports and dance activities	£1000	Aut -Tennis taster organised and well received by the children. Spr -Further taster sessions had to be cancelled due to COVID19.
	MDSA to be employed and trained as a playleader, organising structured active play during lunchtimes	£3000	Aut -MDSA employed but play leader training yet to take place. Spr - Postponed until after schools fully reopen in the Autumn term.
	All staff to give children opportunity to take part in Daily Mile to encourage at least 15 minutes of sustained daily exercise	£1500	Aut - Daily mile completed by all except the YRR children at various points through the school day. Spr - Staff have reported that for 90% of children this was effective in allowing the children to refocus and concentration levels improved following their run.
	Renovation and further development of outdoor adventurous play equipment Development of outdoor provision in Early Years to	£2500 £1595	Aut - Safety surface replaced for the outdoor play equipment . Surfacing now more than meets safety guidelines for fall distances.

	promote active learning and exercise opportunities		Spr - Early Years have planned out their area but further development will need to be postponed until September
Sustainability and suggested next steps:	<p>When asked, children can talk positively about the physical activities they are involved in at school.</p> <p>They have the opportunity to try new sports and further develop skills in these areas.</p> <p>Equipment is inviting and challenging, offering the children opportunities to investigate and develop both gross and fine motor skills.</p> <p>Daily mile improves fitness levels and concentration.</p>		

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
<p>To raise the profile of PE across the school.</p> <p>To raise the profile of our school's sports teams within the local community and the wider Trust.</p>	Continuation of the celebration board, highlighting the achievements of our children's sporting achievements	£0	Ongoing - This has continued and is regularly updated. Anecdotal evidence shows that the children have enjoyed looking at it and remembering what they have done.
	Celebrate sporting successes at Family Assembly	£0	Aut - „All tournament results are celebrated regardless of results.
	Attend local Primary PE network meetings	£100	PE Lead attended these until lockdown
	Attend trust wide PE events	£320	Spr - We took part in the first ASSET football tournament at the Ipswich Football ground. This was greatly enjoyed and the children were very proud of their successes given that they were up against far larger schools.
Sustainability and suggested next steps:	<p>Pupils are inspired to participate and compete in a challenging, non- threatening environment to create a 'love' for sport.</p> <p>Children take a pride in their achievements</p> <p>Pupils learn to acknowledge and celebrate their achievements no matter what the result.</p>		

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
<p>There is good quality PE taught across the school by every member of staff involved in it's teaching.</p> <p>Staff have professional development opportunities</p>	Sports coach to model good practice and act as a mentor supporting and coaching other staff in their teaching	£0	Spr - Mentoring sessions had been discussed and Sports Coach was just in process of setting these up as we went into Lockdown, but this will continue next year,

through in-house CPD from both the School Sports Coach and the SLE for Sport across the Trust	Sports Coach to attend the Annual PE Conference	£150	Cancelled
	SLE from Trust to deliver good quality CPD to staff in the teaching of PE		Spr - This was put on hold due to COVID.
	Sports Coach to work alongside SLE to develop mentoring skills for other staff.		Spr - This was put on hold due to COVID
Sustainability and suggested next steps:	Teachers have the confidence, skills and knowledge to plan and teach high quality PE lessons. The Sports coach improves own skills through working alongside SLE and through modelling good quality provision and mentoring other staff.		

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
To further increase the range of sporting provision and provide varied opportunities to participate in different sporting and outdoor activities	All children in year 3 and 4 to continue swimming beyond statutory requirements to develop life-saving skills and competitive swimming opportunities.	£900	Swimming normally takes place in the Summer term, so this did not happen due to COVID19. However we were still expected to pay for the use of the pool and instructors.
	School to organise taster workshops for pupils in other sports and dance activities	See above	Aut – Tennis Spr – cancelled due to COVID
	School to support funding of non PP children on low incomes to attend the school residential at Hilltop Outdoor activity centre.	£300	Spr - All children will be attending Hilltop regardless of family income. (This has been postponed until Jan 2021 – but has already been paid for from this year’s budget)
	Children in Yr 5 participate in Bikeability to ensure that they can use their bicycles in a safe manner	£360	Spr - This did not take place due to COVID19 but has already been paid from this year’s budget.
Sustainability and suggested next steps:	Pupils receive a wider range of sporting opportunities across the PE curriculum and after school club provision All children have the opportunity to participate in adventurous/ outdoor pursuits regardless of income Children become confident, capable and safe swimmers.		

Key indicator 5: Increased participation in competitive sport

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
<p>Every child participates in a sporting event in a safe, competitive environment.</p> <p>Children have the opportunity to participate in inter-school sporting events across both local schools and the wider trust.</p>	Sports coach will continue to organise at least two interschool events each term.	£100	<p>Aut - we took part in dodge ball and football events with other schools in the local area. All successes were celebrated. Children said that they really enjoyed taking part against the other schools.</p> <p>Spr – Cross country and handball (although final was cancelled) plus inter trust football in at Ipswich town football ground.</p>
	Children will continue to have opportunities to work as a team.		Aut - After school sports clubs all had an element of team work and competition within them. These were open to all children from Yr 1 onwards
	Every child will take part in sports day		Sports Day did not take place due to COVID.
Sustainability and suggested next steps:	<p>Every child will have a positive experience of taking part in competitive sport during the school year.</p> <p>Tournaments to continue across the local schools</p>		

Due to COVID 19 there was an underspend in certain areas and this has been carried forward into the 20-21 budget

Strategy	Planned Cost	Under Spend due to COVID-19
School to organise taster workshops for pupils in other sports and dance activities	£1000	£500
Annual Sports Conference	£150	£150
Development of EYFS outdoor provision	£1595	£1595
Total Cost:	£2745	
Not spent due to COVID 19 so carried forward to 2020/21:		£2245
